Mr. Onkarappa, Chitaldrug District Board.

Summary of discussion.—Davangere is a large town consisting of three main parts, old town, Chamarajpet and Chitaldrug road extension. The patrolling of the Police has not been regular in these parts and consequently it is unsafe to reside there or construct new houses in the locality. Three sub-police stations may be established, one in each of the above parts of the town.

Hon. DG. of Police recommended an increase of one S. Davangere, and as the Police Guard in Attgal Hoodunga Treasury was replaced by Barr Sepoys, it was transferred to Davangere and is being continued temporarily. The question is whether this increase has to be sanctioned as permanent additions to Davangere Police force. The DG was asked to furnish "facts & figures" in support of his recommendation for the increase, and his letter dy 5/6th Feb'y (9.) explains the necessity on about 40 days the Magistrate held Courts in places which were outside the Head Quarters, and the prisoners had to be conducted there, & brought back. Figures are also given to show that on an average there are 8 prisoners for guards in the lock up, and for this Police Constables are necessary. SIR,

With reference to your D.O. No. J.1590/Police.100-11-3 dated the 18th November 1911, calling for detailed information showing the circumstances necessitating the augmentation of the present strength of the Police for Davangere Town, I have the honor to state that the mercantile activity at Davangere is only next to Bangalore and the town has since the date of introduction of the Investigating centre scheme, been extended both on the southern and northern sides of the old town. It has a population of about 10,400 persons.

But since that date the crime is on the increase as it could be seen from the figures quoted in the margin which gives an average of 31. It may be noted that the increase is steady from year to year and it is not unlikely that it might still rise if the strength of the Police is not increased

increased. It may also be mentioned that more than 50% of the cases are under House-breaking and theft which with a sufficient strength of Police could be brought under control by enforcing strict and vigilant patrol during nights.

3. Davangere is the Head Quarters of the Revenue Sub-Division involving on that account heavy lock-up duty and escort of prisoners. Owing to the insufficiency of the town Police, men are withdrawn from the Kasba centre to do the following duties:-

i. To guard under-trial prisoners;
ii. To guard convicted prisoners, sentenced to suffer imprisonment which is one month or less.
iii. To escort prisoners to the Central Jail at Bangalore.

4. By thus withdrawing men ~~from~~ several road beats are starved.

4. Davangere is again in the very neighbourhood of the British frontier, all sorts of people from beyond the frontier are drawn into Davangere on account of its extensive trade.

5. Thus it is very necessary to increase the town Police by at least one Daffedar and 6 men. There is at present only one Daffedar. He cannot efficiently check the important beat duty doing at the same time multifarious miscellaneous duties. There should at least be two Daffedars.

6. I may mention that Tumkur and Kolar town centres which are from point of population- not to speak of floating population which in Davangere is always present in large numbers- more or less the same as Davangere, do not at all compare favorably with Davangere as regards commercial importance and heavy escorting duty. The crime in these two centres is also not so high. Notwithstanding this Tumkur Town centre has 2 Daffedars and (27) men and

Kolar

Kolar: 2 Daffedars and 19 men. It must be borne in mind that there is the District Reserve handy always for being utilised when escorting and other duties are heavy- such facility there is not in Davangere.

(25)

Under these circumstances, I am strongly of opinion that Davangere town Police is badly in need of an increase. For the time being one Daffedar and 6 constables who are doing treasury duty at Hosadrug and who were replaced by Barr Sepoys- have been transferred to Davangere Town under orders of Government No.J.433-4/ 707 Police.183-10-2 dated the 2nd August 1911.

DIWAN BAHADUR C. SRIKANTESVARA AIYAR, B.A., B.L.,
Inspector General of Police in Mysore.

To

D. M. Narasinga Rao Esquire, B.A.B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

With reference to your letter No.J.278/P.100-11-7 dated the 1st July 1916, calling for a detailed report, supported by facts and figures, regarding the need for the augmentation of the Davangere Town Police, I have the honor to state that the matter has been fully explained in this office letter No.2483/305 dated the 18th December 1911.

2. Davangere is the headquarters of a Sub Division Magistrate, who has jurisdiction over four Taluks and a Sub Taluk, most of which are frontier ones, open to the inroads of gangs and professional criminals, such as Ganti-chors, Kaikadis &c, resulting in increase of crime and over-crowding of prisoners in the lock-up at Davangere. A copy of a statement showing in detail the number of prisoners in the lock-up during the 4 years ending with 1915, is herewith submitted, which shows that there were always 8 prisoners on an average every day in the lock-up. The minimum force required for guarding these prisoners is one officer and 6 constables, at 2 men for each shift

(29

of 8 hours in a day. Constant demands besides, are also made on the staff of the Town and the Taluk for escort of undertrial prisoners, sometimes to the Taluks where the 1st Class Magistrate holds Court for the convenience of parties, and to the District Headquarters during Sessions trials, apart from having to take convicts to Bangalore. This duty alone generally absorbs 4 to 6 men on an average per day.

3. Further, the Town of Davangere being the most important and busy centre of our cotton trade, and commercial gate, as it were, to our State, is outgrowing itself owing to the new extensions and increase in population. The present strength of the Police Force fixed some years back has been found utterly inadequate to effectively carry out even the legitimate duty of patrolling and guarding the Town. The continuance of the additional Police staff for lock-up duty is thus absolutely necessary, and I accordingly request that you may be so good as to obtain the early sanction of Government therefor.

4. The Deputy Commissioner has also submitted proposals for increasing the staff of the Town, which will, however, be considered later.

I have the honor to be,

sir,

Your most obedient servant,

C Srikantaiya

Inspector General of Police.
